So I fed As a senator, I am opposed to duelscolded me, and I was on the point of the north. What a luxury lile was thumping, my blood on fire-waited her the remaining measure of barley ing; as Ben Wade, I recognize the beating a disgraceful retreat when I in the vallay of the Teton! I turned a minute to give whoever out the tent and waited for her to eat. Then I heard, "He. Frank! come have a my spoils over to the smiling Indian time to escape. Then grasping my saidled up, and without bridling. mouthful of whiskey!" Recogniz- woman who acted as cook for Burr. heart and nerves for an instant, I mounted, and wrapping my cloak ing the voice, I gladly left the cranes The rest of the day I spent on horses gathered myself, and turned back around me, sat steadily in the sad-

necessary to state; yet the barrel had Rosa Conchas that had never paid pack of howling dogs, we rushed out back, and she rapidly walked off. take this opportunity to say what I a yellow head, and-and-well, I duty, and as we sat smoking, Burr of the camp. It seemed to me as Wrapped in my closk; with hood then thought. Your friend is a foul-Burr, who was in charge of this ex. In the fall of 1868 I thought it pursuit of me instantly. We galloped couraged with hope, I pstiently sat "Certainly, Senator Wade, you do tensive store, and before breaklast he might be profitable to start a trading up the river to a bend I had seen the horse. I could now hear the might be profitable to start a trading up the river to a bend I had seen the horse. went over it with me. A curious post in the Yellow-stone Valley. Dashing in, we forded it under a fire snarling of the wolves and my only as that?" stock. Everything you could not Learning from the blackfeet that the that made the water boil around us, fear was that they, rendered desperate find in an eastern country store was Sloux were camped on the south side and were out of water and on the lev- by hunger, might attack the mare. I tell you for your own benefit, this here. As we walked, he explained of the river, I determined to ride over el land to the north of the river bethe business to me. Alluring? Not and see what arrangements I could fore any of the Sioux were half way think of it. If they did attack us we will not be asked by him for either reat all. He, booking at his watch tonae with them. I crossed the Belt scross. Striking the trail to the were lost; If they did not, I thought traction or explanation, or a fight." said: "We have yet time before Mountains and, riding down the val- Bozeman Pass, I took it, and, know- we were saie. All day the 'blizzard' The southern gentlemen took his hat ley, was soon at their camp, I on the ing it, pushed boldly on, and, though raged and fore felly around and on us. and left, seriously doubting Wade's The sudden change in the expres north side of the river, they on the hotly pursued, my horse outlasted The mare walked rapidly or cantered sanity. Lands on Commission, examines Titles, sion of the voice, the softening of the south. I sat on my horse and haired theirs, and I escaped. I never drew slowly on. It seemed to me that we Next morning Mr. Wade came into eyes, as this hard Indian trader spoke the camp No answer. I could see rein until I dismounted to the west of has been traveling on for days, for the senate, and proceeding to his seat, of his horse, excited my curiosity, and plenty of Indians walking about, and the pass. The girl saved me. With I went with him. He took me to a again I hailed No answer. I should have been and neighed loudly. Reaching forlow log stable, the chinks carefully ed myself hoarse and the only notice recaptured and burned. I have not ward I felt the rough stockade. Dismudded, the open shutter and door taken of me was by an old buck, not the girl. The love I have for her mounting I felt the hinges of the gate. southern men looked on in slience, well made and carefully fitted, so as who walked to the river bank, the mare has instead. I returned to Loudly I called. Then I took my while the northern men enjoyed to

drew another, and of this the mare foot, he said: 'Why are you in this the north winds was completed, and the tears of widows and what is ter steal desc saddles. Dis is drank slowly, her white face gradu- camp?' To him I replied: 'I wish they were eager for the assault on the
